## A NEW START TO THE YEAR

What a wonderful start to the new school year. I want to send a huge warm welcome to our new families of the children starting in Acorns. The children have settled in so well, its as if they have been here for a term already. To our returning families, I hope you all had a restful if not rather damp summer, we are looking forward to working in partnership with you all again this next academic year. You will find all the information on our new Wonder of Weeton 'WOW' curriculum on the website and class pages will be updated regularly. I have started to put together the Autumn term calendar dates and will continue to populate these as they arise, I will also get these on the website when I've worked out the minefield that it is!!

We have big plans for the playground this academic year as the OPAL project starts to take shape and the classrooms are looking wonderful after the hard work from the team over summer. We continue our work with the local authority educational advisers from next week as we continue our exciting journey to good.

As always I'm available every morning on the yard if you have any issues or questions.

## AFC FYLDE

We are thrilled to have AFC Fylde with us this year to support our enrichment curriculum every Tuesday. Matty comes to us with a proven track record of supporting children in schools. We have him for Breakfast Club every Tuesday morning including sports coaching for only £2.50 from 7.45am and after school sports coaching for £25 for the half term. Matty holds several FA coaching badges, so this is an ideal opportunity to have some sports coaching for a knock down price. See the office for details and book via Arbor. All sessions are to be booked in advance.

## 'WOW' CURRICULUM STUNNING STARTS

This week see's the start of our new Wonder of Weeton 'WOW' curriculum. Acorn's had a visit today from both Woody and Jessie from Toy Story to start their topic of 'Toy Story'. Saplings had a wonderful day down at the Roman village of Ribchester to start their topic 'The Roman's Rule'. Oak class have had a Greek day today, dressing up in Ancient Greek clothing and trying foods from that part of the world and I've just witnessed some Greek dancing, for their topic 'Ancient Anarchy'.
