## Sapling Superstar !

A huge well done to our Superstars this week. I just had to choose two of them as they were both incredible this week.

Sophie

Blake

Wear your superstar badge with pride this week!

## This week in Saplings...

This week in Sapling class, we have been busy continuing our work on the Romans, looking at how life was in Britain before the Roman invasion. The children have really enjoyed looking at the facts and artefacts! In French, we have been learning to introduce ourselves and say hello and goodbye. We had fun trying out our best French accents!

In science, we continue to explore the skeleton and our bone structure. This week's fact was that the feet have 26 bones in each one! The children have all worked very hard this week.

They have bought some spellings to learn for our spelling test next week. Please encourage them to practice them at home.

I hope you all have a fantastic weekend.

Mrs Rillie
