

Sapling Class Newsletter

Sapling Superstars

My sapling superstars this week are:

Thea Cooper
Hector Ward

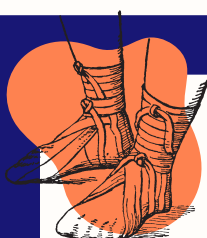

These two children have been incredible again this week, and I decided to give them another week for being so fantastic! pushing themselves to improve! Well done.

Reminders

Tuesday - swimming

Thursday - spelling test

This week in Sapling...

This week in Sapling, we have moved on to new things in Math's. We are now looking at measurement and the different ways that we can calculate length.

In English, we have started writing our stories about Paddington. The children had to change some things about the story and decide on their own dilemma.

In topic, we designed and made our own Roman sandals. They are very cool!

In French, we have been exploring our feelings and saying how we feel aloud.

Some children attended the Harvest Festival in church on Sunday. It was a lovely service so well done to all. This afternoon we will enjoy our star safe afternoon, the children have earned this with their excellent behaviour so far this term. We are watching a film and having lots of treats. Thank you Mrs Rillie
