Headteacher Message

It's been an amazing first week as Headteacher, and I'm so proud to be part of this fantastic school! One of the highlights was having the whole school together in the hall to talk about creating new values that will guide us as a community. The children have really impressed me with their positive attitudes, hard work, and excellent behaviour. It's clear this is a place where everyone is excited to learn and do their best. A special welcome to our new reception children, who have already settled in so well. I can't wait to see what we can achieve together this year!

Vision and Values

This week, we got started on creating our brand-new vision and values. We gathered the whole school in the hall to hear what matters most to them, and their ideas were fantastic! The next step is to share these thoughts with the staff, governors, and parents, so we can make some final decisions together. We shared some pictures of this on our Facebook page. It would be great if you could follow the page and look out for more exciting updates soon.

After School Clubs

Next week begins our exciting range of After School Clubs. Here is a reminder of what is on offer:

Photographer/Videographer Plee

I'm looking to update the school website with some fun new candid photos of the children throughout the day, as well as a few shots of the school grounds. It would be great to also create a short video showing some of the exciting things we do here, to really highlight how wonderful our school is. If anyone in the community can help with this or knows someone who could, please let Mr. Smith know!

SENDCO

I'm pleased to let you know that Mrs. Rillie is now our school SENDCO and will be available to answer any questions you have about your children's additional needs. You can reach her at the school email: send@weeton-st-michaels.lancs.sch.uk. A big thank you to Rachel Hinchliffe for all her support—she'll still be around sometimes to help with the transition between SENDCOs.
