

WEETON ST MICHAEL'S C OF E SCHOOL

Summer Term

OAK CLASS

Who are you? The Census

AS CREATORS WE ARE.....

ART: Photo Opportunity We will be looking at how photographers create different pieces of art using pictures. We will be looking at angles and creating our own gallery of photos.

PHYSICAL EDUCATION: Children will be taking part in field games including cricket and rounders. We will also be participating in athletics and learning about different events.

MUSIC— children will be looking at South America music and the different styles involved.

We will then be looking at composing music for Ancient Egypt

MY HAPPY MIND

Children will be looking at the importance of being able to relate to and get along with others in order to have positive relationships

HOW YOU CAN HELP US.....

Our PE kit days are on a Monday and Friday each week. No jewellery must be worn. Sturdy trainers must be worn.

Please read with your child every night. Share your reading time together. I will be checking books on Fridays.

SPELLINGS— These will be tested on a Friday and new ones will be given. Please encourage your child to learn them in their red book. This red book needs to be returned every Friday

INSPIRING MOMENTS

Immersed into the story of 'Shackleton's Journey'

AS MATHEMATICIANS WE ARE....

We will be focusing on ratio, algebra, shape, position and direction, and statistics. Year 6 will also be revising for SATS

AS READERS AND WRITERS....

We will be reading 'Journey' a book about Shackleton's Journey and what he endured. Children will be discovering more about him as a person too.

Later, we will be reading Paradise Sands the children the mystical bargains and haunting places this story has to offer

AS INVESTIGATORS WE ARE.....

SCIENCE: Unbalanced Forces— Children will be learning about gravity, friction, levers and pulleys in this experiment based topic

Space— Children will be learning about the moon, the Solar System, day and night, satellites and space junk

AS ENQUIRERS WE ARE.....

GEOGRAPHY: Population— Children will be learning about the how population has changed over the years. They will discover why some people have no choice but to leave their homes and how climate change is impacting population

HISTORY: The Census Children will be learning about what the census is and why it is important. They will explore census' from different periods and make deductions from them.

RELIGIOUS EDUCATION: Paul— We will be exploring why Paul was a significant person in the Bible. Children will uncover where Paul went on his travels and how Christianity came to Britain.

People of Faith— Children will be able discovering why people turn to faith and what that means. They will explore different people from different faiths and how they influence people across the world.

AS COMMUNICATORS WE ARE.....

COMPUTING: Data Handling— children will learn about binary and how it is used to store data on a computer

FRENCH: Children will learn how to talk about school, what subjects we learn.
