I hope you all enjoyed the Bank Holiday weekend, helped of course by the beautiful weather. It was fabulous to see some of the bunting that you had made to decorate your houses. The lockdown situation certainly isn't feeling any less strange, but I hope that some of the home learning suggestions are helping you to stay busy; I can't wait to see your Sports Day videos this week.

There are many questions from last night's PM statement, and you may be concerned. Please be reassured that working in collaboration with the Local Authority, listening to DfE, we are waiting for more information and advice, we won't speculate or make any decisions until the information is clear & we can ensure the safety of you all. Remember you can get in touch by email, class dojo or telephone – we can access the answer phone from home!

Stay safe...

Sarah Hudd

EXCITING NEWS!!!

We have had some really exciting news – Mr Matthews and myself have been working hard on a bid for a large grant to enable us to make some big developments in school and I am delighted to let you know that we have been successful!! The developments will include a new classroom for Acorn Class, new toilets, a staffroom, a new Headteacher's office and to increase the size of the hall. Hopefully the work will be completed by September!!!

More news as I get it!!

As you know Mrs Trousdale has worked incredibly hard this year to establish the Small School Sports cluster. The children who have been involved from Weeton, Treales and Inskip have all loved it. It is such a shame that we haven't been able to complete all of the tournaments BUT we are really pleased that we can confirm that the cluster will continue next year. We will work with Gareth and his team at Premier Education to organise some more great afternoons of sport for all ages. Thank you Mrs T!!
