It is just fantastic to be back in school and starting to establish what will be our "new normal". The children have been amazing, adapting to new expectations and routines. I must also thank all of the staff in school who have worked tirelessly to ensure that the transition back was as positive and smooth as it could be.

We have 8 new starters in Reception who have settled in and it feels like they have always been part of our Weeton family.

While we can't run events and celebrations in the same way as we have done, we are trying some new ideas so look out for details!!
