A huge thank you for all of your generous Harvest donations over the last week – the Food Bank in Kirkham came to collect it all today and were so pleased with it.

We are grateful that you are all being so mindful of the social distancing and the drop off and collection arrangements. Could I please remind you, for the safety of all the children, not to park on the yellow zig zags or where the boards are outside school. We are very lucky that the Village Hall allow us to use their car park so that is always an option for you – get those steps up!! Please use this link to ask LCC highways to reinstate the 20 sign and rumble strip.
