Can't quite believe we are coming to the end of week 4 and it's December next week!!! I would like to say a huge thank you to Oak class for their Worship on Monday and I am really looking forward to the 14th December when Acorn class will lead us.

Our Small School Sports has been a great success this term with Cheerleading and Rounders competitions being great fun. As a result there have been requests for a Cheerleading after school club – we will see what we can organise!!

We have had the final amount from Bags2School. We had 240kg collected but due to prices being less this year we made £72. Still good for items we would have thrown out. The Christmas Cards made more due to a VAT rebate, so they made £122 which is amazing. We think you will agree the quality is superb and will try to use them again. The Virtual Fair has also been a success and raised £120 from Stallholders. This is still ongoing for the rest of this week and you can look back at posts so please still buy from the local traders. It is appreciated in these hard times so buying local does help a small business. The raffle tickets for the hampers will be coming home on the 7th December. The envelope will have both sides of the ticket. Please tear off one side, put the other side in your envelope with the money, and send back to school. Please bring to the office or hand to a member of staff for security purposes. They are £1 a ticket or £5 a strip. Please put back in the envelope any unused tickets. Thank you for your continued support.
