Weeton Words

10th December 2021

Our Value this half term is: **GENEROSITY**

“Love your neighbour as yourself.” Mark 12.31

Wow what a few weeks we've had in school. From Judo assemblies to decoration day. School is looking beautifully Christmassy with home made decorations adorning every space. The children enjoyed film night, thank you to Mrs Rillie and Miss Bickerstaffe for organising and to the staff for staying late to help out.

The Christmas feel really kicked off this week with our nativity performances. We are so proud of all the children. They were absolutely amazing in every way. In two weeks they learnt hundreds of song words and all the speaking parts, some stepping in when others were off too and bravely singing solos. Performing live is such an important part of being a musician so I am so pleased that we were able to perform for you our families. Thank you for being our live audience. The message of our nativity of loving one another is the basis of our Christian vision here at St Michael's and one which we live by every day, reminded by the Little Angel getting her wings.

Next week is equally as busy with the Christingle, Crib service, Panto, disco and carols around the Christmas tree. We are really looking forward to celebrating this festive season with your children. We also have some learning to finish off in readiness for the Christmas break.

Lisa Patterson

Dates for your Diary
