Weeton Words

17th January 2022

Our Value this half term is: **Courage**

"Be strong and courageous; do not be frightened or dismayed, for the Lord your God is with you wherever you go." Joshua 1.9

Life in school is so busy already. We've had the Life Education Bus visit, during which the children learnt about having healthy bodies and healthy relationships. Our weekly visits to church are the highlight of the week, Rev Ivan inspiring the children through role play, readings and props. Children settled quickly back into school and are working so hard. We're really proud of everyone.

At the beginning of term, we welcomed three new families to school. Jay J, Riley, Jasper and Hector are already part of the Weeton St Michael's furniture. Well done to them for settling in so quickly.

We have lots of exciting things planned for the next few weeks, so keep an eye on Parent App and the Diary Dates section so you don't miss anything. [Lisa Patterson](#)

Parent Governor Vacancy

There is currently a vacancy for a Parent Governor. If you feel this would be something you would like/be able to do, please read the letter on Parent App today explaining the process.

Parking on the Zigzags

We have noticed that parents are parking on the yellow zigzags. This is illegal and creates a risk for pedestrians. In order to keep our families safe, please could you make sure the zigzags are left clear.

Dates for your Diary

24th January - Art week in school

24th January - Asset Management (Governors)

26th January - Curriculum, Church and Community (Governors)

31st January - Governor nomination forms deadline

3rd February - Launch Times Tables Rock Stars - **Dress up like a rock star**

4th February - National Number Day

11th February - Reception and Year 6 Height and Weight check

11th February - Break up for half term

21st February - School reopens

My child has tested positive for COVID-19 - How long do they have to stay away from school for?

All people (staff and pupils) have to isolate for a minimum of 5 full days following a positive test before returning to school if they test negative on day 5 and the morning of day 6, providing they do not have a temperature. If either test is positive, they should continue to isolate until they have two consecutive negative LFD results or until they have completed 10 full days of isolation, whichever is the earliest.

Thankyou so much for bearing with us with all the changes in regulations and for following the guidance. We currently do have staff and children isolating with symptoms or because they have tested positive for COVID-19.

Together we will ensure our children and staff stay safe.
