Our Value this half term is: **Courage**

"Be strong and courageous; do not be frightened or dismayed, for the Lord your God is with you wherever you go." Joshua 1.9

Wow, another busy half term comes to an end! We've crammed so much in and school has been a bustle of enthusiastic learning. The children have dealt superbly with a lot of last-minute changes to routine and I am so proud of them for their maturity.

The Ambassadors and the Pupil Leadership Team have been meeting to develop our school and lead events for the rest of the year and the House Teams looked wonderful today in their new t-shirts for Inter House Sports. We will let you know the results after half term.

On behalf of all the staff, I should like to thank you all for your support, we wish you a restful and healthy break and are looking forward to seeing everyone after half term.

Parent Governor Vacancy

Mrs Hoy-Durant has accepted the position of Parent Governor. Welcome to the Governing Board. We are very much looking forward to working with you.

Nits Please be vigilant for our crawly friends. We have had a couple of instances of parents finding them. Please comb every night to check for them and keep long hair up. If everyone checks then they will be less frequent. Thank you

Get Caught Reading over Half Term

We are all developing a love of reading here at school and would like children to engage in our get caught reading challenge over the holidays. We'd like to see the wackiest (but safe) places children can find to read. It could be under the bed or in the shed, the wackier the better. Bring in a photo after half term of where they have found to read.

Water bottles and name labels

Some children are bringing juice in their bottles. As we are a healthy eating school, please ensure water bottles contain only water unless this has been pre-agreed due to medical reasons. Please ensure over half term, all belongings are labelled with your child's name to ensure they don't get lost.
