Weeton Words

13TH May 2022

Our Value this half term is: **Friendship**

"Encourage one another and build each other up."

1 Thessalonians 5:11

The Summer Term really is going at a pace. I am so proud of the children and staff for their hard work and constant energy for learning. Huge congratulations to the children in Years 4 and 5 and the TAs for successfully completing and passing their Food Hygiene Certification. They learnt all about cleanliness and the storage of food, followed by an exam to test their knowledge. I am pleased to say that everyone passed and Janette the trainer was very impressed by the children's maturity and how seriously they took the training. The children now serve their peers on the salad bar.

Year 6 this week have been sitting their SATS and have approached them with a can-do attitude and confidence. Whatever the results, Year 6 (and their teachers) couldn't have put in more effort and dedication both before and during the tests. You are a credit to your families and teachers. Well done. They have been celebrating today with a picnic at the park and they received their leavers hoodies.

The next few weeks and the rest of the Summer Term are cram packed with so many amazing experiences for the children, starting next Thursday with our annual Sports Day.

Mrs Patterson

Thursday – Archery

Please check Parent App for details and booking. Still spaces

Parking

Could I politely request that parents remember not to drop off/pick up their children too close to the school carpark gates or on the yellow zigzags. It is hazardous pulling out of the carpark when the road cannot be seen.

Thankyou.

CONGRATULATIONS to our new member of the Weeton Family. Mr & Mrs Macefield gave birth to a beautiful baby girl yesterday. Welcome Isabella Macefield weighing 7lb 13oz. Sophia is a BIG SISTER.
