Weeton Words

24th June 2022

Our Value this half term is: **Respect**

"Show proper respect to everyone." 1 Peter 2:17

Blink and you've missed 2 weeks already. We've crammed in so many exciting experiences for the children and there're more to come!!

Last week saw Year 5/6 learning how to ride their bikes safely on the roads through passing their Level 2 Bikeability course with 'Go Velo'. Please make sure if your child is riding a bike, skateboard or scooter, that they get in the habit of wearing the necessary safety equipment. We've also been tying ourselves in knots with the may pole, practising hard for Weeton Garden Party on the 9th July – they say it'll be alright on the night but ...! We rounded off last week with a day of Jubilee celebrations, dressing up, learning about key events of the last 70 years and sharing lunch together in our school street party. Once again Mrs Pagram pulled out all the stops to make our street party a huge success. We also said farewell and good luck to Miss Taylor as she started her maternity leave. We'll keep you posted in due course!

This week we welcomed our new Reception children. They quickly found their feet and are already fitting in to the St Michael's family. On Thursday we welcomed Janette Mason (who trained our children in Food Hygiene) back into school to work with year 6. They had great fun costing and making pizzas and coleslaw from scratch. Mrs Pagram and Year 5 were our judges but they all tasted too good to give anyone first place! Our coleslaw was then enjoyed by everyone on the salad bar – 15p for enough to feed the school! Recipes will go on Dojo today if anyone fancies having a go! Today we enjoyed a Commonwealth Games assembly followed by a torch procession event. Luckily the weather was not as scorching as it has been. Please also don't forget to bring back your raffle ticket money and stubbs for the Garden Party raffle

The next few weeks are so busy. Please keep your eyes peeled on Dojo, Parent App and social media.

Dates for your Diary

- 27th June - NSPCC workshop Year 5/6
- 28th June - RNLI workshops
- 28th June - 2pm Rock Steady music workshop - parents welcome (Message to follow)

- 22nd July - School Closes for the Summer 1pm

Get Caught Reading

We've had some weird and wonderful pictures so far. If you haven't taken part already, find the wackiest place to read a book. Take a picture and send it in on Dojo for us to add to our display.

Water bottles, sun cream and hats. Please make sure your children bring a named water bottle and hat to school every day and apply sun cream before they come to school.
