7th July 2022

Our Value this half term is: **Respect**

"Show proper respect to everyone." 1 Peter 2:17

This is coming to you early this week as it's been quite a busy couple of weeks.

Last week was completely cram packed with visitors from NSPCC working with Oak class on Monday. On Tuesday the RNLi came in to school to teach the whole school about staying safe near and on water. The workshops were practical and engaging and linked directly to our local area as well as further afield. Rock Steady then came to visit to show the children their amazing instruments and engaged everyone in learning music. They are going to be in school from September and I have asked for an expression of interest from parents. If your child is interested in joining a rock band with Rock Steady, please sign up using the flier that was sent home on Tuesday. More on this next week.

Despite some **very heavy** rain showers, our trips to Fairhaven Lake were a huge success. There were no dry clothes to be seen and lots of smiling faces. The children showed such confidence and courage in challenging their fears and going for it. They showed great support and encouragement for one another. All the staff and helpers got stuck in too – particularly Mrs Rillie and Mrs Meadowcroft who made sure the little ones were safe by spending most of the day in the lake! Photos and videos of everything that's been going on have been posted on Class Dojo so don't forget to check it out.

I want to say a huge congratulations to the Year 6s for being amazing in every way. Your SATs results this week, are only part of what makes you amazing, but they were outstanding. All that hard work you and your teachers have done this year and your grit and determination to succeed and well and truly paid off. Congratulations.

Unfortunately, the summer fair had to be cancelled for several reasons on Wednesday but the PTFA hope to make it happen in September. Please continue to keep an eye out for messages from Mrs Craine on Parent App and your teachers via Class Dojo.

Dates for your Diary

- 9th July - Weeton Garden Party
- 11th July - Confirmation service - St Nicholas
- 12th July - Junior Lion King Concert in school 2pm

- 20th July - Whole school Trip to Brockholes
- 21st July - Leavers' Service 9.15am
- 22nd July - Celebration worship am
- 22nd July - School Closes for the Summer 1pm

Staffing update:

Some parents may be aware that there will be some staff movement at the end of term.

Mrs Craine is moving on to a new admin role with the Schools Catering Service.

Mrs Hayden will also be moving to pastures new as a TA in a local school.

They have worked hard supporting the children and families in school for many years and we wish them both well in their new challenges.

We have not been successful in appointing the right candidate for the Maternity Leave position and we will continue to make sure we find the right fit is in place before September.

I will keep you posted about staffing once recruitment processes have been finalised

In case you didn't get the Dojo message. Miss Taylor's little girl arrived on Tuesday. We are looking forward to seeing her, hopefully before the end of term 😊

Water bottles, sun cream and hats. Please make sure your children bring a named water bottle and hat to school every day and apply sun cream before they come to school.
